**Community Rules & Regulations**

I/we hereby acknowledge receipt of The Community Rules and Regulations and agree:

1. **Rules can and will change in the future and that they may change online at [www.townenorthmobilehomepark.com](http://www.townenorthmobilehomepark.com) and or via message board or written notification. A posting of the rules will be given to each tenant at the time of lease inception.** For a new update I agree to check the web site for new rules on a regular basis and I understand that notifications of rules shall be posted via web address.
2. **I understand that notifications can be sent via door postings and US postal mail as well as message board.** I also acknowledge and understand that no method is required for any update unless it conflicts with some local, state or federal law or if it conflicts with the authority governing mobile home communities in this state, county, city, township, village etc.
3. **The Mobile Home Community shall always give a thirty (30) day written notice regarding rule changes.** This notification may be hand delivered or notification may be given by an added message to a billing statement distributed by The Community. The Lease that is signed by a tenant constitutes an extension of these community rules. Tenant agrees to all rules in this document and in the lease that is signed by the tenant. The words (Tenant, Resident, Lessee, Renter, Homeowner) all refer to the person who is renting a space or renting a home from "The Community". The words Community and The Community refer to the company who is renting the property and whose name is captioned at the top of this document.
4. **Monthly lot rent and or home rent as well as any installment sale payments are due on the 1<sup>st</sup> day of each month.** The resident agrees to pay a late charge of **\$50.00** if the monthly rent is not received by **the 5<sup>th</sup> calendar day** of each month. No refund of rent or security deposit will be given for mid-month move outs. The tenant must give at least 60 days written notice prior to termination of tenancy.

All tenants will be offered the option of a minimum one-year lease or a month-to-month rental lease. Each tenant will be requested to sign a written statement if a lease is not accepted and the tenant shall be subject to a "hold over" lease policy where applicable. Hold over leases are designed for tenants who wish not to sign a one-year lease due to the fact that they may be moving for reasons of job transfer or other reasons that cause them a tenant not to commit for one year or longer. In the case of a hold over lease the tenant must pay a minimum \$50.00 above and beyond the base rent of the lease unless otherwise specified in the lease itself. A tenant's refusal of a lease is not construed as a waiver of any rights guaranteed by law.
